Testimonials

«The renovation of 144 Champs Elysées was quickly accomplished using the adhesive system, transforming the old decoration into the new Brioche Dorée concept with the help of the magical film that covered moldings, frames, partitions, and panels. The works between 10 PM and 6 AM did not disrupt the business activity, enabling an efficient and cost-effective transformation for the commercial and restaurant establishment.»

- **Hubert MOURCELY, Renovation Manager Brioche Dorée**

«The Kirchberg offices were rapidly renovated at a lower cost, thanks to the adhesive coverings. In just 5 days, 532 m² of partitions and doors were covered with films mimicking natural oak (reference I9), resulting in a realistic outcome! This transformation modernized the offices without disrupting the company's operations. We wholeheartedly recommend this product.»
