Testimonials

"As an interior designer in Spain, I find in this interior design solution an **elegant, fast, genuine** and **economic** way to renovate or highlight interiors, offices, wall or furnitures. Their wide pattern selection is a great help to please most of my clients!"

- MARIA SANTOS ALCALÁ, Interior Designer

"Following the 200 rooms renovation of our hotel Radisson Blu, I appreciated the following advantages: a price 2 to 5 times **less expensive** than a classic renovation, saving time thanks to speed of application and **easy to place**, which is not always obvious with other trades. Finally the textures and the range color let me think that there is **no limit**. Adhesive films honors our tagline which is 'Yes I can'. It sums up the reactivity of your sales representative, teams and the level of finition worthy of our 4 stars hotel."

- JEAN-BAPTISTE BOURCIER, Technical and Safety Director
